

## A 'World Class School'

Kenilworth School & Sixth Form is recognised as a 'World Class School' and Centre of Excellence for Inclusion.

The School's vision for 2023 is a commitment to delivering the best possible secondary education for the current and future young people of Kenilworth.

The School is judged as 'Outstanding' by Ofsted and examination results are some of the highest for a state school in the County.

## Our mission statement

Kenilworth School & Sixth Form aims to be an excellent school at the heart of the community. We motivate all of our young people to achieve more than they ever thought possible and awaken a curiosity and passion for learning so that they can play a full part as adults in shaping the society of the future.
